Are you ready for LOVE Week? We're getting ready to make a difference and activate change in our communities and around the globe. God equipped each of us to make a difference right where we are.

We can't wait to see what God is going to do through us when we show up for LOVE Week on July 23-July 30.

Has your eGroup signed up to serve together? If not, how can you help them get involved?

Discussion Questions To Send Your eGroup

You can send these to your group ahead of the meeting to help them start thinking and talking about the message.

- Pastor Steven defined peace as letting God explain it later. Looking back on your life, has there been a time something didn't make sense in the moment, but you realized why it happened later? Explain your experience.
- "Sometimes, what you are dealing with right now is not what you are dealing with right now." What past things have you seen or experienced that affect your life today?
